 Program

ONE CONTRIBUTION

The Ohio AgriBusiness Association Educational Trust offers an opportunity to help you save the time and hassle of obtaining approval for various sponsorships throughout the year. Just write one check and receive promotional opportunities at all OABA Educational Trust events, including Golf for Scholarships and Bowling for Scholarships.*

Educational Trust sponsors will automatically be promoted at all 2019 Ed Trust events, and will not be approached for additional sponsorship throughout the year.

*We understand that supporters have different needs, so we will continue to send individual event sponsorships to those who have not enrolled in this program.

INVALUABLE INVESTMENT

OABA Educational Trust fundraising events support the Educational Trust Scholarship Program through which more than \$45,000 in financial assistance is provided annually to students enrolled in an agriculture-related field attending The Ohio State University, Ohio State ATI, Central State University, Clark State Community College and Wilmington College.
