

2014 Sustaining Sponsorship Program

One check. Endless promotion. One large investment.

For some members, writing one check for OABA event sponsorships saves the time and hassle of obtaining approval for multiple contributions throughout the year. This new, all-inclusive* sponsorship structure allows members to select one Sustaining Sponsorship level and receive promotional opportunities at all OABA events throughout the calendar year.

Sustaining Sponsors will automatically be promoted as such at all** 2014 OABA events, and will not be approached for sponsorship opportunities throughout the year. We understand that OABA members have different needs, so we will continue to send individual event sponsorship opportunities to members who have not enrolled in the program.

**Because the OABA Educational Trust is a 501(c)3 charitable organization, sponsorships related to the Educational Trust are separate from OABA sponsorships and require separate payment. However, a new yearly sponsorship model is also available for Educational Trust events.*
