

## OABA Membership Dues FAQ

### **Q: Why did OABA change its membership dues structure?**

A; OABA initiated a comprehensive dues review following member feedback. The Membership Dues Study Committee considered fairness, competitiveness and the long-term sustainability of the association. The resulting recommendations informed the updated structure.

### **Q: When does the new structure take effect?**

A; The updated structure will apply to the 2027 membership cycle. Insert the confirmed effective date before publication.

### **Q: How will I know what my organization owes?**

A: Your renewal invoice will identify your applicable membership category, annual dues amount and payment deadline. Contact OABA if you have questions about your classification.

### **Q: Will my dues increase or decrease?**

A: The impact depends on your organization's applicable membership category and prior dues amount. Your individual renewal invoice will confirm your new amount.

### **Q: What does my membership support?**

A: OABA membership supports industry advocacy, professional education, leadership development, regulatory information and opportunities to connect with other agribusiness professionals.

### **Q: What if I believe my organization is in the wrong category?**

A: Contact OABA before submitting payment. Staff can review the classification against the approved dues policy and applicable membership records.

### **Q: Who should I contact with questions?**

A: Contact the OABA office at 614-326-7520 or [info@oaba.net](mailto:info@oaba.net).
